

English Version

The European project Citizen Care, involves the Apulia region in Italy and Epirus in Greece. It is a project of upgrading and improvement of the two cross-border healthcare structures, the Policlinico of Bari in Apulia and the Medical Center of Filiates in Epirus, with the goal of increasing the quantity and quality of services to citizens, to prevent them from having to go outside region, our citizens towards center and north of Italy and their towards Athens or Thessaloniki instead of Epirus. So to serve the cruise passengers and passengers of Bari airport, and the passengers of the Egnatia highway in Epirus. The strengthening of these structures also aims to encourage exchanges of experience between doctors and health managers.

On past April 21 in Thessaloniki, at the offices of the Managing Authority and the Joint Technical Secretariat, it held a technical meeting on the project attended by representatives of the Polyclinic of Bari, the Director General Dr. Vitangelo Dattoli, the Ing. Giacomo De Vito Energy Manager on behalf of the responsible of the project, Ing. Claudio Forte Director of Technical Management Area; the KTYP S.A. Building Infrastructure in Athens (Lead Partner), the Director of Health Infrastructure Ing. Kyriatos S. Alevizos, the Project Officer of MC Filiates of Ing. Davri Areti, the Contact Person Dr. Vicky Karabasi, the technical manager of KTYP SA Ing. Agathos; Managing Authority - Management Authority of European Territorial Cooperation Programmes - Unit B2, the head of Unit B2 Dr. Katia Sagona, the Project Officer Dr. Matoula Syropoulou; the Joint Technical Secretariat of the European Territorial Cooperation Programme "Greece-Italy" 2007-2013 the Coordinator Dr. Alessandro Salvatore Napoli, the Project Officer of the JTS Dr. Dionysia Tamvaki.

During the meeting they discussed about the project progress and the actions to be done for its completion, and about some financial, administrative and technical items. They agreed communication actions of the project charge to both partners and, especially, showed the strong affinity of strategy and objectives between the two partners so as to suggest a number of common goals to pursue and formalize, capitalizing on the results of the project.
